

Updates of Libraries for Tomorrow Events and Annual LAS Dinner

Check out the menu for the delicious four-course sit-down served dinner for our inaugural Annual LAS Dinner. There is also a vegetarian option for the dinner. Our honourable **Patron of LAS – Professor Tommy Koh**, will also be gracing this special occasion.

In addition to Lexis Nexis, ExLibris, and Emerald, we also have AsiaOn, Wang Fang and ProQuest joining us at the fair. These vendors will also be sharing interesting insights about the latest technologies in the library world. Do come down to the Fair at 10am for the exciting programmes before and after the Seminar.

Insightful papers on recent library technology developments that incorporate Web 2.0 functionalities at institutional level and nation-wide developments will be presented. Short poster presentations on exciting library services developments, such as 3D Interactive maps, will also be showcased. This is an excellent platform and opportunity for librarians and information professionals to interact and network.

Please find out more information below:
