

Fill in boxes that are shaded yellow. A drop down button will be revealed when you click on items under category code. Click button to select the appropriate activity type. Provide details of the activity in the yellow column. The points will be calculated automatically. The "Practising Professional Status" row (near the bottom of the form) will total all the points and give you an indication when you reach the required number of points for submission. Print the form, sign the declaration and submit to the PDS Board .
