LAS Library School Scholarship Award
JACKY WONG KAE PERNG

Jacky Wong is awarded the 2013 LAS Scholarship Award in recognition of his superior academic achievement in the Master of Science (Information Studies) programme at the Nanyang Technological University.

After obtaining a BA in Computer Science, an MBA from the University of Melbourne, and a Professional Diploma with Distinction from the National University of Singapore's Institute of System Science, Jacky enrolled in the Master of Science (Information Studies) program at the Nanyang Technological University in 2012. He was awarded the Certificate of Excellence in recognition of being among the top 10% of his cohort in Semester 2 of Academic Year 2012/2013 with strong recommendations from his professors.

In addition to academic success, Jacky has built an impressive library career with increasing responsible positions as a Systems Librarian at Temasek Polytechnic Library, Singapore Management University Library, Ngee Ann Polytechnic Library and currently, at the National Institute of Education Library. Throughout his library career which began in 2002, he has implemented numerous software programs leading to innovative library services, increased productivity and significantly enhanced user experiences.
