

LAS Library School Scholarship Award

Dong Danping

Dong Danping is the 2014 LAS Library School Scholarship Award recipient in recognition of her superior academic achievement in the Master of Science (Information Studies) programme at the Nanyang Technological University.

Danping completed her Bachelor of Engineering (Environmental Engineering) with Honours from the National University of Singapore in June 2013 and started the NTU Master programme. She was awarded the Certificate of Excellence as one of the top 10% of her cohort in Semester 2 of Academic Year 2013/2014 and received strong recommendations from her professors.

Since joining the Singapore University of Technology and Design Library (SUTD) in August 2013, Danping has made significant contributions. She developed and customised Library Resource Guides, provides a research alert service and conducts training sessions for the SUTD community. She was also appointed a Pillar Librarian, supporting one of the four main Pillars at SUTD, and served on the Tender Evaluation Committee for the new library management system.
